

**California Health & Human Services Agency
Data Exchange Framework Implementation Advisory Committee Meeting
Public Comment Log (9:00 AM – 11:30 AM PT, September 25, 2025)**

The table below shows public comments that were made verbally during the September 25, 2025, meeting. Additional public comments can be found in the meeting’s “Q&A Log” posted on the CalHHS Data Exchange Framework [website](#).

Count	Name	Comment
1	Timi Leslie	There’s a real opportunity when it comes to measurement, and I was genuinely excited about the idea of patient matching—especially around how we gauge the quality of data. Michigan has a great report card, and I think QHIOs could be giving feedback to all our participants. But on the patient matching front, it’s just so frustrating because we keep seeing the same status quo.
