DxF Bi-Weekly Update

The Center for Data Insights and Innovation (CDII) is providing this bi-weekly communication to provide important updates and information on the Data Exchange Framework (DxF).

DxF Updates

- CDII has developed a Participant Directory User Guide to explain the process of Participant exchange of Health and Social Services Information (HSSI).
  - This guide can be found on the CDII DxF webpage by going to the DxF 2024 Implementation header, then "DSA Signing Portal and Participant Directory" accordion, and finally "Participant Directory" subheading.

DXF ROADMAP:

- CDII is soliciting applications to 2025 Technical Advisory Subcommittee focus groups on key DxF Roadmap topics including identity management, consent management, social services information exchange, and event notification.
  - Please apply to become a member of the TASC for one or more of the 2025 focus groups by filling out the application on the DxF webpage by February 21, 2025, and watch for announcements of upcoming meetings.
- CDII will discuss public input received on the DxF Roadmap during the upcoming Joint IAC and DSA P&P Subcommittee Meeting, scheduled on 2/13/25.
  - See meeting details below in the "Upcoming Meetings & Webinars" section.

DSA SIGNATORY GRANTS:

- All Round 3 Grantees (those awarded in 2024) **MUST complete Milestone 1 by the March 31, 2025, Progress Report deadline.**
- PCG is hosting a DSA Signatory Grantee Office Hour on **Friday, March 7, 2025** from **12:00 - 1:00 PM PT** to demo how to submit the required quarterly progress report in the DxF Grants Portal
  - We will answer questions on milestones, progress reports, and payments.
  - If you would like to attend, register for the DSA Signatory Grantee Office Hours.

QHIO PROGRAM:

- The nine organizations in the QHIO program continue to demonstrate broad coverage for organizations and individuals across the state. Today, QHIOs collectively support exchange for over 60% of DxF Participants, managing over 60 million individual identities across the state.[1]

- For information on the QHIO Program, please visit the Qualified HIO Program section of the CDII DxF webpage.

POLICIES AND PROCEDURES:

- CDII has finalized and published an amendment to the Data Elements to Be Exchanged P&P as v1.2 following the close of public comment in early January 2025.
  - Version 1.2 of the P&P aligns the requirement for DxF Participants to exchange health and social services information in the US Core Data for Interoperability (USCDI) with the version required by the ASTP/ONC Health IT Certification Program effective beginning January 1, 2026.
  - Version 1.1 of the P&P remains published on the DxF website and v1.1, and its requirement to exchange according to USCDI v2, remains effective through December 31, 2025.
- CDII will be discussing potential amendments to the Technical Requirements for Exchange P&P to add technical requirements for Notifications for ADT Events as recommended to CDII by IAC and other advisory committees.
  - See meeting details below in the "Upcoming Meetings & Webinars" section.
- To review all P&Ps, refer to the Policies and Procedures subsection of the CDII DxF webpage.
