

DxF Bi-Weekly Update

The Center for Data Insights and Innovation (CDII) is providing this bi-weekly communication to provide important updates and information on the Data Exchange Framework (DxF).

DxF Updates

- CDII has developed a [Participant Directory User Guide](#) to explain the process of Participant exchange of Health and Social Services Information (HSSI). This guide can be found on the [CDII DxF webpage](#) by going to the DxF 2024 Implementation header, then “DSA Signing Portal and Participant Directory” accordion, and finally “Participant Directory” subheading.
 - CDII has released a call for applications for Technical Advisory Subcommittee (TASC) members for 2025. CDII is seeking subject matter experts with technical and operational expertise to advise CDII on:
 - Identity management
 - Consent management
 - Social services information exchange
 - Event notification and event-based exchange
- [The application](#) can be found on the [CDII DxF webpage](#). Applications are due no later than February 21, 2025.

DXF ROADMAP:

- The format of the TASC is being changed for 2025. Rather than assemble a single subcommittee with broad membership to discuss and advise CDII on multiple topics, CDII will be convening the TASC as a collection of four focus groups. Each focus group will be comprised of members from multiple stakeholder groups with expertise specific to a topic highlighted for action in 2025 in the DxF Roadmap. The TASC will continue to meet in four short series of open meetings. Please fill out [the application](#) to become a member of the TASC for one or more of the 2025 focus groups by February 21, 2025, and watch for announcements of upcoming meetings.
- For information on the DxF Roadmap, please visit the [DxF Roadmap subsection](#) of the CDII DxF webpage.

DSA SIGNATORY GRANTS:

- DSA Signatory Grantee Progress Reports submitted by December 31, 2024, with Milestones achievements are under review. Approved payments will be disbursed by January 31, 2025.
- Round 1 or Round 2 DSA Signatory Grantees **who did not demonstrate Milestone 1**

by December 31, 2024, should contact CDIIGrants@chhs.ca.gov immediately.

QHIO PROGRAM:

- CDII would like to highlight the work being done by each of our QHIOs to establish exchange between one another, including a recently productionalized ADT connection between Manifest Medex and Serving Communities HIO. This project has helped DxF Participants better track events that directly impact the health of their patient population.
- For information on the QHIO Program, please visit the [Qualified HIO Program section](#) of the CDII DxF webpage.

POLICIES AND PROCEDURES:

- To review all P&Ps, refer to the [Policies and Procedures subsection](#) of the CDII DxF webpage.

Upcoming Meetings & Webinars

JOINT IAC AND DSA P&P SUBCOMMITTEE MEETING

- Joint Implementation Advisory Committee and Data Sharing Agreement Policies & Procedures Subcommittee Meeting - Thursday, February 13th, 2025, 9:00 AM – 11:30 AM PT
