

**California Health & Human Services Agency
Data Exchange Framework Implementation Advisory Committee Meeting
Chat Log (9:00 AM – 11:30 AM PT, July 17, 2025)**

The following comments were made in the Zoom chat log by Members of the IAC and staff during the July 17, 2025, meeting:

01:31:34 Linette Scott: Social Determinants of Health coding (DHCS) - <https://www.dhcs.ca.gov/formsandpubs/Documents/MMCDAPLsandPolicyLetters/APL2021/APL21-009.pdf>

01:34:51 David Ford: I wish that slide surprised me. 🙄

01:35:44 Aaron Goodale: Maybe not just cross reference EMR but individuals who operate within a "closed" network vs. Others.

01:36:06 Courtney Hansen: Hi all. Just a quick reminder to double check chat is going to "everyone" rather than just "hosts and panelists." Thank you.

01:37:26 John Helvey: I like that call out...also when data is contributed to QHIO's we could minimize the number of doors to knock on.

01:42:01 Akira Vang: Reminder that public comment will be taken at a designated time, please save your questions until then.

01:43:26 Andrew Kiefer: Agree with David's point on the cross tabs, I don't think this aligns with Blue Shields experience. The timeliness varies greatly.

01:48:42 Sophia Chang: It's not clear how a county hospital, for example, would list themselves (as a county entity vs. a hospital).

02:03:59 Sophia Chang: Folks in the conference room, maybe be sure you are on mute.
